

Head of the Bridgewater: 15th February 2020

Three periods of racing, long (3.2Km) and short (1Km) courses for all boat classes.

Our water is sheltered, comparatively shallow and everywhere close to a continuous towpath with marshals every 250m: particularly good for juniors, beginners, those returning to competition and older Masters competitors.

Run with the kind permission of the Bridgewater Canal Company

Notes

- Racing will be governed by British Rowing's "Rules of Racing" and "RowSafe" policy.
- Doubling up is encouraged.
- Masters events will be handicapped where appropriate
- Other events will be considered (e.g. 1Km masters; mixed crews)
- Events will be banded within their division where necessary.
- Trafford RC reserves the right to adjust the schedule if required due to prevailing conditions.
- NB only half a crew and the coxswain may be replaced once entries have closed. Substitutes must be a member of the same club, or clubs in the case of a composite crew, as the athletes they are replacing (Rule 7-2-4b and ¶2.1.1).
